

Exploring the interconnected network of producers, customers, fans and suppliers who support, share, and wear images broadcasting their penchant for white supremacy and global fascism. <

<https://panzerdox.noblogs.org/>> — We debut this investigative series in full support and appreciation of the Black Lives Matter movement, the adjacent Abolish the Police campaigns, and all associated uprisings as people across the country fight for liberation from repugnant ideas perpetuated by white power movements and institutionalized white supremacy, which this country was founded on. More articles outing white nationalists and their connections in this #PanzerDox series will be posted soon!

Update: As of 6/27, Ecwid has de-platformed Panzer Street Wear's webstore; Facebook has terminated their store and Cody's fake pages; Kimberly has locked down her Facebook account and removed the white power shirts from the Panzer instagram. Big Cartel deplatformed them in March. Disney has been notified about copyright violations. Their PayPal account's status is unknown. If you have any more info, please reach out to panicinthediscord@riseup.net < <https://noblogs.org/members/subeltz%40riseup.net/>>

Welcome to **#PanzerDox**. This is our debut article, in which we lay bare the network of a white-power clothing company and its supporters. #PanzerDox is a collaboration between Colorado Springs Antifascists, Utah 161, Panic! in the Discord, and Corvallis Against Fascism.

In these days of fighting the tide of white nationalism, sometimes the fascist chuds make it easy for researchers to identify them by wearing pro-nationalist tee shirts. This time they were created by Panzer Street Wear, essentially turning that organization into a honeypot for identifying their neo-nazi client base, fans and of course, their very own selves. This series wouldn't have been possible without the info from trashabilly!

There is so much white power propaganda to unpack here (we almost threw away the whole rotten suitcase) so we're going to go through the Panzer Street Wear website and then take a deep dive into the two public faces of Panzer Street Wear: Cody Monroe Reynolds, of Endeavor, WI and his partner, Kimberly Dawn Westfall, of Crawfordsville, IN:

CW for hella racist images:

From the Panzer Street Wear landing page, which lets everyone know right away that things are going to be fashy:

Then there's the clothing. The proprietors, Cody Reynolds and Kimberly Westfall, claim that they design all of these try-hard limp energy not-cute luks:

yep, first shirt says 'nationalism is not a crime.'

Panzer Street Wear uses the payment processor [Paypal](https://archive.thinkprogress.org/paypal-kicks-yet-more-white-nationalists-off-its-funding-site-6f359b586f72/), [< https://archive.thinkprogress.org/paypal-kicks-yet-more-white-nationalists-off-its-funding-site-6f359b586f72/>](https://archive.thinkprogress.org/paypal-kicks-yet-more-white-nationalists-off-its-funding-site-6f359b586f72/) which [has been known to occasionally boot white nationalists < https://archive.thinkprogress.org/paypal-kicks-yet-more-white-nationalists-off-its-funding-site-6f359b586f72/>](https://archive.thinkprogress.org/paypal-kicks-yet-more-white-nationalists-off-its-funding-site-6f359b586f72/) from its payment platform:

Here is the link to the Panzer Paypal processor page [archive < https://posting.cc/dDyNoKMQ>](https://posting.cc/dDyNoKMQ)

And Panzer's web host service is [Ecwid < https://www.ecwid.com>](https://www.ecwid.com) :

Ecwid's [terms of service < https://www.ecwid.com/terms-of-service >](https://www.ecwid.com/terms-of-service) has no specific mention of a hate-speech clause, but it does mention that vendor accounts can be canceled without a reason. Here's hoping one of those reasons can be Panzer Street Wear outfitting men, women, and children in white-power regalia.

Cody and Kimberly's shirt designs for men can be found on [Panzer's website < https://www.panzerstreetwear.com/Mens-c50993142 >](https://www.panzerstreetwear.com/Mens-c50993142), which we have archived (so as to not give them any clicks or traffic) [here < https://archive.vn/An6CA >](https://archive.vn/An6CA). Going further in this article, the archived links of the Panzer website sections will be used as the primary link from which all the screenshots originate.

These shirts explicitly promote white power, Nazi, and white nationalist language and imagery, including but not limited to iconography of [sonnenrads](#) <

We're sure there are more in there.

In addition to their men's wear, here is the archived [Panzer's women's line < https://archive.vn/Z9UPz](https://archive.vn/Z9UPz)>, which clearly shows they only have a few femmes supporting their fascist agenda by wearing ugly shirts. Panzer's on-sale page < <https://archive.vn/A4vCJ> > is a rehash of all of the white power symbols previously mentioned, sonnenrads, peckerwood, a play on Joy Division's iconic shirt. Just in case the tour d’fascism wasn’t disturbing enough, Cody and Kimberly of [Panzer Street Wear have their own line of shirts for children < https://archive.vn/O7QzV>](https://archive.vn/O7QzV). Cody and Kimberly also have a [Facebook feeder page < https://archive.vn/jB8o8>](https://archive.vn/jB8o8) to the main site.

How do we know that Kimberly Westfall and Cody Reynolds are behind these monstrous images of dehumanization, torture, violence and murder emblazoned with the Nazi and racist images?

They brag about it:

Above images taken from [“Miles Long” Facebook archive < https://archive.vn/PgfmU>](https://archive.vn/PgfmU). Cody Reynolds posts his face and children on almost all the profiles. Oh, and one of his Panzer Street Wear supporters calls him by his real name when he’s being sad about pudding.

Who’s the “her” Cody is referencing about the pudding? It’s either his wife Stephanie or it’s Kimberly Westfall, his business partner:

On their Facebook pages ([now archived](https://posting.cc/Ff31cFBg)) < <https://posting.cc/Ff31cFBg> >, “Miles Long” writes a post thanking people for their generosity, which he signs a with “Cody,” and includes a numerical Venmo address. In the attached update,

Kimberly addresses the same fundraising situation connected to “Miles’s” Venmo account number.

To those from my list that sent money, we dont know everyone's real names. I know most of you dont care or dont want your real names put out there. But we would like to make sure everyone gets recognized for their contributions. Thank you to everyone who has helped, I know it's a tough time of year to give up any extra.

Many of you have donated to help with some unexpected expenses for a friend, good man & father, that arose a couple of days ago. If you donated thru PayPal, please send me a message with the name/s you want attached to the card, that is being sent out with the money raised, because a lot of your PayPal names do not match your FACEBOOK names. We plugged that numerical series into Venmo and got the solid gold confirmation: “Miles Long” is Cody Reynolds.

And what does “Miles” aka Cody’s [Venmo < https://venmo.com/Cody-Reynolds-49 >](https://venmo.com/Cody-Reynolds-49) show us? Two people paying for shirts, two people donating:

It’s clear that “Miles Long” aka Cody Reynolds, along with Kimberly Westfall, is responsible for the sale and distribution of Panzer Street Wear’s white-power, racist, pro-fascist, white-nationalist shirts, pins, and stickers glorifying Hitler, torture, and murder.

What else can we learn about these two? Let’s take a deeper dive into that scummy looking bonehead and move on to Hitler Barbie.

Cody Monroe Reynolds, born February 19, 1979, has a few social media profiles with some pretty ridiculous names, running at least three Facebook accounts: “Miles Long,” “Richard Beater,” and “Heerr Ferkel.” How do we know Cody runs all three accounts? He tells us in [the archived page < https://archive.vn/jFFXk>](https://archive.vn/jFFXk)

And then we confirmed it: “[Miles Long < https://www.facebook.com/miles.long.547727>](https://www.facebook.com/miles.long.547727)” ([archive < https://archive.vn/Yhla9>](https://archive.vn/Yhla9)) is also
Cody Reynolds:

And then Cody's [Heerr Ferkel < https://www.facebook.com/heerr.ferkel>](https://www.facebook.com/heerr.ferkel) page, [archived here < https://archive.vn/pbH49>](https://archive.vn/pbH49),

following the same marketing idea of heavy Panzer Street Wear promotion:

And then [Cody's Richard Beater page < https://www.facebook.com/richard.beater.102 >](https://www.facebook.com/richard.beater.102) :

And then through some magic of brain geniuser, “[Cody’s Miles” Long archived Facebook page < https://archive.vn/PgfmU >](https://archive.vn/PgfmU) has the pronunciation of the Richard Beater name, along with Panzer images and his own face again:

We learn a bit about who Cody/"Miles"/"Richard/Heerr" is as a person:

an hour before I dropped them off with their mother. The woman from the front desk comes to the pool and says "excuse me sir, the housekeeper said you may have accidentally took one of our pillows" I responded with a fairly shitty tone "I live in motels, why would I take your pillow? To rehome it at a new motel?" She proceeds to tell me "there was 5 pillows and now theres only 4, are you sure you didn't accidentally take it?" To which I responded "I didn't do a head count on the fucking pillows when I arrived. If you're accusing me of stealing your fucking pillow, just say it." She said nothing more and left. Fuck that bitch. These down pillows are nice as fuck by the way...

Seems like a charmer, yes? Cody Monroe Reynolds is a 41-year-old with a miles-long history of being a racist and being involved in white supremacist groups. When Cody lived on Craig Ave in Madison, WI from 2001 to 2004, he used the email address ameriskin88 [at] yahoo, which is connected to the same username on the Stormfront forum post ([direct link < https://www.stormfront.org/forum/t57252/ >](https://www.stormfront.org/forum/t57252/) and [archive < https://archive.is/OhAP1 >](https://archive.is/OhAP1))

He also used upstartskin [at] worldnet [dot] att [dot] net for an email address. For an overview on the Stormfront aka "White Pride Worldwide" internet forums, see [SPLC's article. < https://www.splcenter.org/fighting-hate/extremist-files/group/stormfront >](https://www.splcenter.org/fighting-hate/extremist-files/group/stormfront)

For employment, Cody left a life of restaurant work and became a welder at his

own Vollmacht industries, per his 2016 [Linkedin < https://www.linkedin.com/in/cody-reynolds-93804065/ >](https://www.linkedin.com/in/cody-reynolds-93804065/) account, which we have [archived < https://archive.vn/9GgIn >](https://archive.vn/9GgIn) :

But then the place caught fire and Cody started a [gofundme < https://www.gofundme.com/f/t2v7ww4k >](https://www.gofundme.com/f/t2v7ww4k) which we [archived < https://archive.is/FiBAD >](https://archive.is/FiBAD) to help rebuild after he lost all of the equipment, but the fundraiser didn't do too well:

Vollmacht literally translates to “power of attorney” from German to English. We’re thinking he meant something like “power of authority” but nope, that’s what it is. Which is sort of fitting, as the building is in someone else’s name and that person probably holds more authority over Cody than he’s comfortable admitting.

Through a publicly-available property records search, we see that Vollmacht Industries, LLC, once located at 613 Memphis Avenue Madison, WI is still owned by Stephanie Wilbur aka Stephanie Reynolds, Cody’s wife. [Stephanie <https://www.facebook.com/stephanie.wilbur.96>](https://www.facebook.com/stephanie.wilbur.96) doesn’t have any white power garbage on her social medias but she had to know that Cody, the person with whom she was living and raising two young girls, is a hardcore Hitler-loving nationalist.

That's a real interesting 'UBR FRAU' license plate, wonder if it connects to anything? Of course it does! Kimberly's Ford Flex VIN is 2FMGK5CCoCBD19120. Remember their [Panzer Street Wear Facebook page](https://www.facebook.com/UberFrauPSW) < <https://www.facebook.com/UberFrauPSW> > ? Well, 'Uber Frau' is the URL of the page, which we promptly [archived](https://archive.vn/jB8o8) < <https://archive.vn/jB8o8> > .

Similar to Cody, Kimberly Westfall has lots of aliases on her Facebook page, (which we [archived](https://archive.is/AaYYT)) < <https://archive.is/AaYYT> > all of them traceable to one another. [Kimberly Westfall](https://archive.is/AaYYT) < <https://archive.is/AaYYT> > was Tricia Westfall then [Gretyl Grimm](https://archive.is/sJVS8) < <https://archive.is/sJVS8> > and now Kimberly West. Wait, is that a knockoff nazi hat in the thumbnails of her [archived fb profile](#) < <https://i.postimg.cc/9oNr5QTC/image.png>> ?

Kimberly/Tricia Westfall aka Gretyl Grimm, born August 7, 1987, shares a home with a few children with Cody Reynolds. Cody aka “Miles” is holding Kimberly’s cat Hitler doll, presumably in the home in a comment:

CW: photos of a freaking shrine to Hitler below

And their home is a Hitler home, because of course it is. How do we know? Her initial Facebook [dot] com [slash] kimberly [dot] westfall [dot] 94 is now defunct but we still have screenshots of the interior of the home. Kimberly posted emojis over the swastikas in this following photos, ostensibly to avoid getting child protective services called on her

So where is this Hitler house? **Brock Ervin** < https://ballotpedia.org/Brock_Ervin >, whose name is on the sign behind the kids, ran for the House of Representatives in the 41st District of Indiana, which includes Lebanon and Crawfordsville, IN:

We don't know exactly what the address is for Kimberly and Cody's Hitler home. But we are very keen to learn it! Due to the publishing requirements of this platform, we can't directly share personal information like phone numbers and home addresses. However, you can view that redacted information [here](https://pastebin.com/XeWPpPXy), < <https://pastebin.com/XeWPpPXy> > on a separate website.

So what can folks do about these white power chuds in Indiana and Wisconsin? De-platform them. Deplatforming makes it really hard for merchants to sell their goods if no one wants to host them, resulting in them figuring out something else to do to make money and ideally, getting out of the white nationalist universe altogether. We surmise that Big Cartel removed Panzer Street Wear as a vendor due to their politics, thanks to some [before](https://archive.vn/ciUff) < <https://archive.vn/ciUff> > and [after](https://panzerstreetwear.bigcartel.com/product/rjm) < <https://panzerstreetwear.bigcartel.com/product/rjm> > screenshots.

Let's see what Paypal, Ecwid and Facebook have to say about supporting white power individuals, groups, and merchandise. Surely, they're not on the wrong side of supporting fascists? Let's see!

Action List

- First, let's reach out to **Paypal** < <https://www.paypal.com/us/smarthelp/contact-us>> ! Contact **@paypal on twitter** < <https://twitter.com/PayPal>> and on **Facebook** < <https://www.facebook.com/PayPalUSA>>
- Second, let's get them booted off **Ecwid** < <https://www.ecwid.com/homepage>> ! Contact **@ecwid on twitter** < <https://twitter.com/ecwid?>> and **on Facebook** < <https://www.facebook.com/ecwid/>>
- Third, let's get them booted off Facebook! Contact **@Facebook on twitter** < <https://twitter.com/Facebook?>> and **on Facebook** < <https://www.facebook.com/facebook/>> lol

As always, we keep us safe! Let's keep these fash off the webs and out of our hair.

If you have any additional tips about Cody, Kimberly or other fascists in Indiana or elsewhere, please send them to panicinthediscord@riseup.net < <https://noblogs.org/members/subeltz%4oriseup.net/>> or DM them to @discord__panic on Twitter
